## **COLLECTOR'S VISION**

---

### INTERNATIONAL ART AWARD

Contemporary Art Curator Magazine presents the Collector's Vision International Art Award to an artist who has achieved a body of work of major cultural significance.

Collector's Vision International Art Award celebrates current artists who share their talent and heritage with the world!

It is a highly-anticipated Award presented to the most outstanding and talented artists working in the art world now.

We are proud to award you the prestigious Collector's Vision International Art Award!
